Konu : Deprem Nedeniyle Oluşan Yangında Yanan Konteynerler Hk.

06.02.2023 günü meydana gelen deprem nedeniyle oluşan yangın sebebiyle 1623 adet boş-dolu konteyner tamamen yanmıştır.

Yapılan çalışmalar sonunda ekli listede yer alan konteynerlerin ve içerisindeki malların yanmış ve pert durumunda olduğu tespit edilmiştir.

Yanmış konteynerlere ilişkin mal sahiplerinin veya yetkililerinin ekte yer alan listeyi referans almasını; yanık mallar ile ilgili sigorta tespit ve ekspertiz işlemlerinin süratle başlatılması / sigortasız mallar için ise mal sahiplerinin veya yetkililerin başvurularını limanımız Müşteri Hizmetleri'ne tespit@limakports.com adresinden randevu için talepte bulunulmasını önemle rica ederiz.

Subject : Burnt Containers in the fire caused by the earthquake

Due to the fire caused by the earthquake on 06.02.2023, 1623 box empty-full containers were completely burned.

At the end of the site survey, it was determined that the containers included in the attached list and the goods inside them were burned and in a total-loss condition.

We kindly request from owners of burned containers or authorized parties on the goods refer to attached burnt container list and to initiate the insurance inspection and survey procedures of the burnt goods as soon as possible and for the uninsured goods to apply to the port's Customer Service's e-mail address tespit@limakports.com for appointment.
