

**OUR VALUED VISITOR**

**WELCOME TO LİMAK İSKENDERUN ULUSLARARASI LIMAN İŞLETMECİLİK A.Ş.**

**PLEASE READ AND COMPLY WITH THE OCCUPATIONAL HEALTH AND SAFETY RULES SET FORTH IN THIS NOTICE FOR YOUR OWN, OUR EMPLOYEES AND OFFICERS SAFETY**

	Give your ID when entering the port, do not forget to take it when leaving.		It is forbidden to take photos and videos without written permission within the port area.
	Hang the entry card given to you on your collar until you leave the port.		Smoking is prohibited in the port. Smoking is allowed only in permitted areas.
	Show the equipment such as computers etc. that you have brought with you to the security and confirm when you leave.		Avoid risky movements that may endanger yourself and others while you are in the port area.
	Always comply with all warning signs (security, traffic, etc.) within the port area.		As long as you are in the port area, pay attention to pedestrians, construction equipment and other moving equipment.
	Do not approach or touch any machinery, equipment and stocked products in the port area.		You may enter the operation areas only with the permission of the department you are visiting and under the supervision of the responsible personnel to be assigned.
	Park your vehicle in the area shown to you.		It is forbidden to enter the port area using alcohol and drugs or to use them in the port.
	Use the necessary protective material provided in accordance with the section you will enter.		It should not be forgotten that occupational safety is the priority in our port and all warnings to be made by OHS Experts should be taken into account.
	Use the route specified on the back of this document within the port. If you do not have a vehicle, use ring services.		While providing transportation within the scope of the epidemic, the use of masks and social distance rules should be followed in ring services, in the field and in offices.
	Do not behave in a way that will pollute the environment in the port area.		Masks should be disposed of in prepared containers after use.
	Within the port area, the speed limit is 30 km/h for passenger vehicles, 20 km/h for trucks/trucks, and 10 km/h for construction machinery.		

**RULES TO BE FOLLOWED BY VEHICLE DRIVERS**

- All drivers must comply with the above-mentioned visitor and third party safety rules.
- Do not get out of the vehicle unless it is necessary in the port area.
- In cases where you need to get out of your vehicle, wear your necessary personal protective equipment (helmet, reflective vest, work shoes, etc.).
- Go to the operation areas you will go by using the route in the sketch on the back page.
- Comply with the speed restrictions within the facility and give the advantage of switching to construction machines.

**EMERGENCY**

**Do not get excited and do not panic.**

When you hear the emergency announcement and/or alarm, leave the area you are in with the LİMAKPORT personnel you are with and reach the nearest assembly area from the sketch on the back page. Follow the directives and instructions that will be given to you.

If there is a situation that requires first aid during your stay in the port or if you need to report a fire, please call the following phones and inform the relevant persons.
